The lightsaber is illuminated, with a bright white blade extending from the hilt. The background is a blurred green field with a bright sun in the upper right corner, creating a lens flare effect.

*A not for profit lightsaber choreography group based in  
Central Pennsylvania supporting our local community.*

## Our Mission

The Capital City Jedi Knights brings not only quality Star Wars styled costumes, including several well-known characters – but also entertain the crowd and bring quality choreographed stage combat routines to perform in a safe performance area – completely free of charge.

## Charity Work

During our “Feed The Force” campaign for the Central Pennsylvania Food Bank, we have raised money and gathered many pounds of food for redistribution to help feed hungry families throughout central Pennsylvania. We normally hold raffles of Star Wars donations at events and the money from that is donated to those in need.

We can come out to YOUR EVENT in support of our “Feed The Force” campaign –just ask – we may be able to help your charitable cause!

We support our local friends in Central Pennsylvania!  
To YOUR EVENT we will bring not only quality Star Wars styled costumes, including several well-known characters – but also can ENTERTAIN THE CROWD and bring quality choreographed stage combat routines to perform in a safe performance area – FREE OF CHARGE. Many of our members are also in the Star Wars costuming groups The 501st Legion (regional Garrison: Garrison Carida) and The Rebel Legion (regional Base: Ghost Base).
